The ungrounded argument is unfounded: a response to Mumford Neil Edward Williams Abstract Arguing against the claim that every dispositional property is grounded in some property other than itself, Stephen Mumford presents what he calls the then there are ungrounded dispositions Mumford fails to appreciate the importance of the second

#### **The ungrounded argument is unfounded: a response**

Responding to the thesis of 'global groundedness' for dispositions (the claim that every dispositional property is grounded in some property other than itself), Stephen Mumford argues for the possibility of ungrounded dispositions on the basis of what he dubs the 'Ungrounded Argument' (hereafter UA)<sup>1</sup> If successful, UA would repre-
